

ATTACH

Conference Sponsorship

30TH ANNUAL

ATTACH Conference

October 4–6, 2018

Virginia Beach, VA

The Opportunity

Your organization or business could be “out front” at the best international gathering of professionals and parents dedicated to healing children impacted by trauma. As part of this opportunity, ATTACH provides:

1. High-level exposure on the website and at the event in various settings
2. Name recognition through sponsorship of key conference activities
3. Unique advertising opportunities through inclusion of items in the conference tote bag provided to all participants

Sponsors must be approved by the ATTACH Board of Directors. To sponsor, contact info@attach.org / 612-861-4222.

Learn more at:

attach.org

ATTACH provides training to parents and professionals to promote healthy attachment and heal trauma. We strive for a world where every child has secure attachment relationships.

Partner \$500–\$999

Scholarship donors receive:

- tax deductible receipt
- identification on list of donors in program brochure
- listing on sponsor signs at Conference and online

Professional Scholarships

Many professionals work for small nonprofits or agencies with funding restrictions, and are unable to attend the ATTACH conference without assistance.

Each year we receive dozens of requests from professionals for full or partial scholarship assistance. Please consider sponsoring professionals as they pass this information on to their clients and colleagues, having the capacity to reach the larger community in need.

Parent Scholarships

As professionals gain knowledge and networking by attending an ATTACH Conference, the parents derive an even greater benefit, often stating that it was attending an ATTACH conference that helped turn things around for their family and/or helped save their child. The information they learn directly impacts their ability to relate to, care for, and help heal their children. Though it is vital for families to attend, they often cannot due to the cost of the conference.

To help these families, ATTACH has set up a scholarship fund. 100% of the contributions to the fund go directly to pay registration fees for families who cannot otherwise afford to attend.

Help make our 30th Conference the most successful yet!
